

Narcotics Charges Jail Trio

Three men were arrested for possession of narcotics Saturday in two separate incidents involving traffic violations.

William Ritchie, 18, of 2717 Monterey St., and John McClure, 20, of 1629 Cota Ave., were arrested for possession of marijuana by Torrance officers after a search of their vehicle located a possible marijuana cigarette. Police said the pair was stopped by a patrol unit after their vehicle was seen traveling at a high rate of speed near Madrid Avenue and El Dorado Street about 5:30 p.m.

Officers also said they found hypodermic marks on the suspects' arms, which the men could not immediately explain.

FUR FREUNDSCHAFT . . . In German, fur freundschaft means "for friendship," and that's what led three German Scouts to stop off in Torrance on their way home from the 12th World Scout Jamboree held earlier this month in Idaho. The three Scouts were guests of Rick Gollightly, an Eagle Scout and president of Explorer Post 565X. Pictured here prior to leaving for their homes in Germany are Matthias Buhler, Jurgen Hermann, Gollightly, and Martin Lang. During their brief visit here, the youths went to Disneyland, made a quick trip of Hollywood, and sampled typical American foods.

Two men were subsequently apprehended and held for investigation. Although the Schneiders are residents of San Pedro, Palos Verdes is grateful for the courageous, quick action on behalf of one of its citizens, and the Palos Verdes Rotary Club will officially express the community's thanks by including the Great Lakes Properties' presentation in their August program.

San Pedro Duo Honored As Citizens-of-Month

San Pedro residents Kenneth and Sally Schneider have been named Citizens-of-the-Month of August, according to an announcement from Great Lakes Properties, Inc., sponsors of the community program.

They will be honored Friday at a luncheon meeting of the Palos Verdes Rotary Club to be held at the Palos Verdes Country Club at noon.

Mr. and Mrs. Schneider typify the kind of people whose actions reflect their commitment to involvement with their fellowman, a

spokesman for the sponsors said in announcing the award. Late one evening last June they were driving along Palos Verdes Drive and saw a car and a truck by the side of the road. Then they noticed a man and a woman struggling.

Schneider immediately swung his car around so that his headlights flooded the scene. The man promptly fled, but not before Mrs. Schneider had recorded the license number of his truck.

The Schneiders then turned their attention to the victim, a Beulah Shipman, who had

been forced off the road by two men in a truck, struck with a knife, and dragged from her car. The Schneiders escorted Miss Shipman home and called the sheriff's office. Two men were subsequently apprehended and held for investigation.

15,500 Expected for El Camino Fall Term

The long, hot summer comes to an end for an estimated 15,500 El Camino College students this week as they begin registering for fall semester classes.

Registration began Monday for returning full-time students who are eligible for priority registration and will continue through Sept. 1. Priority registration for returning part-time students is scheduled today. Classes begin Sept. 11.

No one may register after the Sept. 1 deadline, according to Dr. Leo Christian, dean of admissions.

NEW FULL-time students begin registering Friday from 8:30 to 11:30 a.m. and 12:30 to 4:30 p.m. and continue through next week from 12:30 to 4 p.m. Monday, Tuesday, and Wednesday; 2 to 3 p.m. Thursday, and 8:30 to 11:30 a.m. Friday.

Registration for new part-time students begins Aug. 28 and continues to the Sept. 1 deadline. Registration times

are from 5:30 to 8:30 p.m. Monday through Thursday and from 12:30 to 2 p.m. Friday.

Required tests must have been completed at least five days prior to registration.

ENROLLMENT is limited to legal residents of the El Camino College District except for those who obtain an out-of-district permit from their local junior college district prior to registration.

"This especially affects residents of the former contract area of Gardena which is in the Los Angeles Junior College District, Christian said.

"Under our prior agreement with the Los Angeles district, Gardena residents could attend El Camino. Now, with the opening of the new

Southwest College campus, we can no longer accept students from this area unless they have obtained an out-of-district permit from the Los Angeles Junior College District, regardless of how much we might like to accommodate these people," Christian explained.
